Infection Control

Products to keep microbes at bay

Well Air Solutions

www.wellairsolutions.com

(866) 508-1118

WellAir provides an ecosystem for healthy indoor air that combines portable units, HVAC devices, sensors and monitoring software. Trusted by more than 450 healthcare facilities to close the infection control loop.

DermaRite Industries, Inc.

www.dermarite.com

(800) 337-6296

UTI Heal is a medical food designed to create an 'unfriendly' environment that helps displace *E. coli* and other organisms from the urinary tract.

Product Focus

🚀 The TV Your Residents Deserve

DISH Business offers a suite of entertainment solutions built to meet the specific needs of your senior living community. We know your residents aren't one-size-fits-all, so your TV service shouldn't be, either!
